Where Does a Passenger Catch a CityGo Bus?

The bus will stop for any passenger at the designated bus stops or the designated “Wave and Ride” areas. Fixed route passengers are to be waiting at the stop ready to access the bus upon arrival.

What is “Wave and Ride”?

The “Wave and Ride” areas are S. Santa Fe Ave., from Crawford St. to Claflin Ave., and Cherokee St., from W. Crawford St. to Republic Ave. Wave and Ride Routes are indicated by dashed lines on the CityGo map. Passengers must be on the correct side of the street in which the bus is traveling and may wave to a passing bus from any corner within this area, indicating that they want to board. Drivers will stop at the nearest safe location, usually the far side of an intersection. .

Can a Passenger Transfer to Other Routes?

Yes, when a passenger leaves the bus, the driver can provide a “Day Pass” for an additional \$1.00. This pass will be marked with the current date and can be used for transfers and return trips during that day only. There is NO limit as to how many times you use any bus during that day, with a Day Pass. If the passenger knows they will need to transfer to a different bus route and/or have a return trip, they can request purchasing a “Day Pass” when they board the bus for \$2.00. They will need to show this pass to all drivers when boarding other buses.

Passengers must have a destination. Continually changing buses and riding with no destination is prohibited.

Can a Passenger Bring Packages on the Bus?

Package Policy - Due to space limitations, and time constraints we must limit the number of packages.

- A rider may carry on only as many bags as they (the rider) can carry on and off the bus in one trip by themselves. A rider cannot enter and exit the bus multiple times to load packages. Drivers will not assist in carrying bags on or off the bus.
- No wagons are permitted on the bus.
- No bags or packages are to be left unattended at any time on the bus by the rider.
- Do not block the aisle or restrict passenger movement with large articles, packages, baggage or strollers.
- Large articles, packages, baggage and strollers must be stored in the back of the bus in the luggage storage area.
- OCCK, INC is not responsible for lost or stolen articles.
- Hazardous materials, weapons or firearms are not allowed.

Can a Passenger Bring a Stroller on the Bus?

Customers may board buses with a child in a stroller. Upon request, the lift or ramp will be deployed by the driver. An adult is required to ride the lift up to control the stroller. Once on board the bus, the customer must remove the child from the stroller and hold him/her in their lap, secure him/her into a child seat or in a seat alongside the customer of the duration of the ride. For families with multiple children and a stroller, the accompanied adult and all children must board the bus together. The driver will then load the unfolded, loadable stroller using the lift and secure it in the back of the bus.

Can a Passenger Bring a Bicycle on the Bus?

Bicycles may be permitted onboard buses. A maximum of two bicycles shall be permitted inside the bus if the passenger load permits the safe boarding, de-barking and stowing of the bicycle. If the bus is too full, the bicyclist may need to wait for the next bus.

All loading and unloading of bicycles will be done by the bicyclist. The driver is responsible for securing and unsecuring all bicycles. When de-barking the bus, the bicyclist must remind the driver that

they need to unload their bicycle. In case of emergency evacuation of the bus, the bicyclist must leave their bicycle behind to ensure a swift and safe exit for all passengers.

How Does a Passenger Appeal a Qualification Decision?

Applicants whose requests for qualification are denied have the right to appeal. For more information, see Grievance/Appeal Process on page 17 of this booklet.

How Does a Passenger Cancel a Reservation?

To cancel a reservation for Paratransit route service, please call 785-826-1583 or 855-577-4337. There is a scheduled arrival time and a passenger must be ready when the vehicle arrives. There may be additional stops before reaching the destination. The OCCK, Inc. Paratransit Service is a shared ride system. Please remember:

- The OCCK, Inc. Paratransit Service is an Origin to Destination service.

- Drivers are prohibited from entering a passenger's residence.
- Drivers are prohibited from pulling into driveways.
- Drivers will not assist passengers in wheelchairs up or down stairs. Drivers will only assist passengers where there is an

approved ramp. If a passenger needs more assistance they can bring a PCA at no charge.

- Drivers are not permitted to assist individuals in transferring from a wheelchair to regular vehicle seating. Such riders must provide their own PCA to assist in their transfer.
- Service may be suspended for customers with mobility devices that exceed the lift capacity or is inconsistent with legitimate safety requirements such as a mobility device that would be of such size that it would block an aisle or would interfere with the safe evacuation of passengers in an emergency.
- All occupants of OCCK vehicles, except for CityGo vehicles, must wear seat belts. CityGo passengers are not required to wear seat belts, but are advised to when available.
- All medical equipment, such as wheelchairs, walkers, respirators, portable oxygen tanks must be properly secured by the driver during transit in all OCCK vehicles.
- All wheelchairs and scooters and occupants must face forward.
- We are unable to provide assistance beyond the vehicle at the pick-up location or destination. If a passenger needs more assistance, they can bring a PCA at no charge.
- OCCK's Paratransit service makes every effort to pick up at the scheduled pick up time. But sometimes due to unforeseen circumstances the vehicle may arrive 15 minutes before or after scheduled pick-up time. For example, if pick-up time is scheduled for 8:00 AM, the vehicle may arrive anytime between 7:45 and 8:15 AM. The vehicle will wait 5 minutes after arrival at the designated pick-up site. Passengers should be ready at least 15 minutes before vehicle is scheduled to arrive. Passenger (and companion) should meet the vehicle when it arrives.
- If the vehicle has not arrived 15 minutes after scheduled time, please call the OCCK, Inc. Transportation Office at 785-826-1583 or 855-577-4337.

- The driver is required to collect a fare or Ride Coupon prior to departure.

Can a Passenger Bring a Guest?

Guests may ride with passengers for the regular passenger fare. Additionally, a passenger riding as a Personal Care Attendant may ride for free.

Note: Guests and personal care attendants **MUST** have the same origin and destination as the customer they are accompanying. OCCK, Inc. Paratransit Service requires a passenger to reserve a space for their guest(s) or personal care attendant when scheduling their reservation. If more than one person accompanying the passenger is designated as PCA, only one will be allowed to ride at no fare. To maximize the space available, accommodations for more than one guest are granted on a *space available* basis. The request should be made when scheduling the passenger's reservation.

Children accompanying the passenger are considered guests. As with the CityGo regular fixed route system, children age 11 and over must pay the appropriate fare.

However:

- Children 10 and younger ride at no charge, but must be accompanied by a fare paying rider 16 years old or older who is responsible for the supervision of the child/children while on board. The child/children must remain seated and under the control of the accompanied adult while on board.
- You must reserve space for children when scheduling your trip.
- **(Paratransit only) State law which took effect July 1, 2006 --- where applicable, children must be seated on an approved booster seat. All children up to age 8 who either weigh less than 80 pounds or are shorter than 4' 9" in height must be in an appropriate child passenger restraining system, such as a booster seat that meets federal guidelines.**
