

Road Construction, Inclement Weather and Traffic Accidents

Please be aware of road work on the route or inclement weather may cause route detours or changes. OCCK will take every measure to ensure that buses arrive on schedule; however, we realize the service may be detoured because of traffic accidents or other instances that are beyond our control.

Wheelchair Accessibility Rules

All 81 Connection buses are wheelchair accessible. Persons in wheelchairs must be at the bus stop at the designated arrival time. Position your wheelchair so that it will be clear of the lift when extended, and follow the driver’s instructions. Guide your wheelchair onto the lift, secure the brakes, and grasp the handrails. The driver will assist you. Because some stops are not wheelchair accessible, please inform the driver of your destination so that he or she may determine the closest possible safe location for you to depart.

Statement of Nondiscrimination

OCCK Transportation does not discriminate against any individual on the basis of race, color, creed, religion, national origin, gender, marital status, status with regard to public assistance, disability, age, or familial status in the provision of public transportation services.

Bus Rider Safety

All bus drivers are trained professionals and have utmost concern for your safety. You want a safe, clean, comfortable ride, as do your fellow riders. Be considerate and follow these simple, common sense rules:

- Keep arms, legs, packages and other personal items out of the aisles.
- Do not stand in the stairwells
- No opened alcoholic beverages or illegal drugs
- No smoking
- No electronic equipment without earphones
- No rollerblades, skateboards or inline skates
- Passengers must wear shoes and shirts
- Large articles, packages, baggage and strollers must be stored in the back of the bus.
- No abusive or hazardous conduct is allowed.

You may ask your driver questions while on the bus, however, please refrain from carrying on a conversation with the driver when the bus is in motion. The use of threatening behavior or language will result in your being asked to leave the bus.

How to Read the Time Tables

The bus stops for each route are printed to the left. Find the destination point closest to you. Follow the column across to determine the time the bus will be at that particular location. Clocks may differ—allow yourself an extra five minutes. Find your route on Google Maps, Apple Maps or Transit app.

Waiting for the Bus

It is always a good idea to be at your bus stop a few minutes early. Make sure the driver in the approaching bus can see you, and wave to the driver to signal to them that you want to get on the bus. Remember to stand back from the stop until the bus comes to a complete stop.

Identify your Bus

Check the bus marquee for the route name before boarding the bus. The Marquees are located along the front of the bus and near the top of the bus by the front door.

To Reach Your Destination

Before the bus reaches your destination, let the driver know that you want to exit the bus. The driver will let you off at the requested stop. Please remain seated until the bus comes to a complete stop. Exit through the door and wait until the bus is gone before crossing the street. Never cross in front of the bus.

81 Connection Services run:
